NEWSLETTER FEBRUARY 2025

President's message

Greetings Leaders

Thank you for your continued dedication in serving and supporting MOAA. It is through your work and contributions that keeps our chapter moving in the right direction. Please note that our next chapter meeting is Wednesday, February 19, 2025, at the Red Rocks Café. This change in meeting date is in response to many queries of our Sunday afternoon meeting. As stated in the chapter minutes, this meeting date and time change is temporary through April when chapter membership will make the recommendation for continuance or revert to the Sunday meetings. I encourage you to pursue the review of the MOAA Legislative Action Center. This is our primary source as an organization to encourage Congress to vote for legislation that favors active duty, retirees, surviving spouses, and VA Health Care. Our website will be updated to highlight the Congressional areas of the Charlotte-Metrolina Chapter.

Secretary Jocelyn Mitnaul Mallette is the new Secretary of the North Carolina Department of Military & Veterans Affairs. She is a graduate of the US Air Force Academy and former prosecutor and general practice attorney in the JAG Corps at Seymour-Johnson AFB. This organization supports the military in NC and we look forward to many positive engagements. Please continue your recruitment of new members. I appreciate your feedback on how our chapter can continue to improve.

There is a new 2025 Veterans Benefits Guide available online. The website address is <https://department.va.gov/wp-content/uploads/2024/12/2025-Federal-Benefits-for-Veterans-Dependents-and-Survivors.pdf>.

Thank you again for your support. Our guest speaker for the February chapter meeting is US Army retired Major Nate Huggins. He is the owner of Blessed Assurance Adult Day Care Center. The meeting starts at 11:45 at the Red Rocks Café. I hope to see you then.

NEVER STOP SERVING!

CHAPTER MARCH SPEAKER – *The USO's Mission is to strengthen the well-being of the people serving in America's military and their families.*

Since 1941, the USO has been the nation's leading organization to serve the men and women in the U.S. military, and their families, throughout their time in uniform. From the moment they join, through their assignments and deployments, and as they transition back to their communities, the USO is always by their side.

Today's USO continuously adapts to the needs of our men and women in uniform and their families, so they can focus on their very important mission. We operate USO centers at or near military installations across the United States and throughout the world, including in combat zones, and even un-staffed USO service sites in places too dangerous for anyone but combat troops to occupy.

USO airport centers throughout the country offer around-the clock hospitality for traveling service members and their families. Our trademark USO tours bring America and its celebrities to service members who are assigned far from home, to entertain them and convey the support of the nation. And our many specialized programs offer a continuum of support to service members throughout their journey of service, from the first time they don the uniform until the last time they take it off.

The USO is not part of the federal government. A congressionally chartered, private organization, the USO relies on the generosity of individuals, organizations and corporations to support its activities, and is powered by a family of volunteers to accomplish our mission of connection.

Our speakers are Peter Amendola and Isaac White.

Peter Amendola is a retired 44-year Financial Services professional. Originally from New York, he has resided in Charlotte the last 22 years. Peter was a volunteer at the USO since 2018 and amassed 2,000 hours of service before accepting the Center Specialist role in September 2023. Sergeant First Class (SFC) Retired Isaac White is a retired U.S. Army veteran with 20 years of service as a 19K, M1A1/A2 Main Battle Tank Armor crewman, including three deployments. Originally from Poughkeepsie, NY, he now serves as the Center Operations Specialist for the USO, dedicated to supporting service members and their families.

MOAA PARAPHERNALIA - There's no better way to show your pride of MOAA and the Charlotte-Metrolina Chapter than wearing official merchandise, found at the [MOAA Store](#) online. There's a good selection of quality men's and women's apparel; it costs no more than you'd pay at the mall; and they deliver it to your front door. Wear it at official functions and in the community, where it can be a great conversation starter and generate more interest in our chapter from local veterans. Please check it out! Eric Kelly (USAF-Ret), Chapter Secretary."

YOUR “INDEF” DOD IDENTIFICATION CARD LIKELY WON’T BE AS “INDEFINITE” AS ADVERTISED.

While no date has been set for the expiration of the paper-based Uniformed Services Identification Card (USID), DoD “is currently evaluating the potential phase-out” of those cards, a DoD spokesperson told MOAA on Oct. 17 – even cards with “extended or indefinite expiration dates.”

Previous DoD guidance listed 2026 as a likely cutoff date, though the spokesperson did not provide any date in an emailed response to questions. However, DoD does “encourage all holders of paper-based ‘INDEF’ cards, to include all retirees, to replace them with Next Gen USID Cards by scheduling an appointment at their nearest ID card issuance facility at their convenience,” per the email.

Some retirees and family members may be able to renew their “INDEF” cards online and skip the in-person appointment. If you have a paper-based ID card and want to upgrade, here’s a walk-through of the process for in-person and online renewal/replacement.

In Person

- Find your nearest ID office [at this link](#). You’ll be able to search by location, find hours and contact information for nearby offices, and make your appointment online.
- Ensure you bring [all required documents](#) for an ID card renewal/reissuance.

Online

First, you’ll need to determine your eligibility for online renewal. According to DoD, in order to skip the in-person appointment:

- The sponsor must have a common access card (CAC) or a DoD Self-Service Logon (DS Logon).
- The sponsor and the cardholder must have authorized DoD to use their email to contact them via the ID Card Office.
- The cardholder must have a current mailing address in the U.S. (or an APO/FPO/DPO address; no post office boxes) and a photo taken in the last 12 years, both on file with the Defense Enrollment Eligibility Reporting System (DEERS). Learn how to update your DEERS record [at this link](#).

If you are eligible, visit the ID Card Office Online [at this link](#) and click the “Family ID Cards” block. You’ll need to log in via CAC or DS Logon to begin the process; you can learn more about eligibility, requirements, and proof of identity [at this link](#).

Further ID card questions should be directed to the Defense Manpower Data Center. Its customer support team can be reached at (800) 538-9552 Monday through Friday from 8 a.m. to 8 p.m., excluding federal holidays.

MOAA DATABASE TRANSITION TIMELINE AND IMPACT

As a reminder, the transition of MOAA’s database is not done as of this date. They hope to have it in place by the end of the year. Council and Chapter leaders do not have access to the Committee Module or NRT Report.

MOAA members received this [update on MOAA’s system upgrade](#) and how this might impact their access to information during the transition. This message also explains how this transition will impact logging into MOAA.org, with the “email of record” replacing usernames when accessing online accounts. Members should [contact the Member Service Center](#) if they have multiple emails on file with MOAA to determine the email of record. Passwords will not change under the new system, and access to [MOAA’s Legislative Action Center](#) will not be affected. Further instructions on using the new system will be available in the coming weeks.

TONYA STAR, WIDOW OF MAJ. RICHARD STAR, DIES AT 51 AUGUST 16, 2024

By MOAA Staff

Tonya Star, a tireless advocate on behalf of combat-injured veterans and the legislation bearing the name of her late husband, passed away Aug. 12 at her home in Euless, Texas. She was 51.

Star’s husband, Maj. Richard Star, USAR, was diagnosed with stage 4 metastatic terminal lung cancer in 2018. She immediately put personal ambitions aside as she was “thrust into becoming a full-time caregiver, advocate, and lung cancer researcher,” she wrote in a [2020 MOAA.org article](#).

Maj. Richard Star succumbed to his illness [in February 2021](#). Tonya Star remained an active participant in ongoing advocacy work for the Major Richard Star Act, which would end a compensation offset faced by tens of thousands of combat-injured retirees.

“You could not ask for a better ally in this fight,” said Lt. Col. Mark Belinsky, USA (Ret), MOAA’s director of Government Relations for Currently Serving and Retired Affairs. “Tonya’s presence motivated all of us to continue our work on the Hill, on the phone, anywhere we thought we could make a difference. Her work, both alongside her husband and after his passing, made our progress on this bill possible.”
